

Woodlands has got Talent

Last night saw Woodlands' Theatre host 'Woodlands has got Talent', a showcase of performance talents from across all year groups at the school.

Thirty staff and students took part, showcasing talents in music, singing, dance and much more.

The event raised just over £100 towards our Winter 2009 production.

The winner was 'Hula-Girl' Sophie Baker, who was presented with a commemorative trophy. Second place went to dancer Viki Sarker and third place to singer Jess Smith.

All students who took part received a Shine certificate and an A4 slip worth 100 house points.
